

**BUG/INSECT INVESTIGATION CHART**

See if you can find the bugs listed below & check off where you found them. Did you find a bug not listed on the chart? If so, use the "What's That Bug" sheet to draw your new bug and see if you can work towards identifying it!

Bug / Insect / Creepy Crawly	Found in the Grass	Found underground or under something	Found above ground and in trees or flowers	Found in my house!
